- Silver \$175 incl. 1 person

*"A Well Made Object" This short film by filmmaker J. Mitchell Johnson is devoted to the life and work of iconic architect Howard Meyer. Spearheaded by Meyer friend and client Carolyn Clark, the film was completed in rough form in 1993. It has now been updated utilizing additional interview footage and HD footage of Meyer's work. *The film will be followed by a discussion with architects and historians, including Mark Gunderson.*
