

LINCP FORUM

Leadership in Capital Projects

"FACILITATING CHANGE"

3rd Annual Leadership in Capital Projects (LinCP) Forum

Vintage Villas, Austin, Texas

April 5-6, 2011

(Meet-and-greet on April 4)

This Forum promises to be a don't-miss event for anyone interested in improving how we plan, design, construct and operate capital projects.

**EARLY BIRD PRICES
EXTENDED TO MARCH 4**

Register now - Attendance is limited to the first 100 people!

Use of collaborative technologies and processes, such as an audience response system, table facilitators, and "World Cafe" will be utilized to enhance your experience. You will receive an Outcomes packet after the event, highlighting key points.

KEY NOTE PRESENTERS

From the [Mindshift Consortium](#) Core Team, and co-authors of "*The Commercial Real Estate Revolution*"

April 5: Bill Black, (National Director Strategic Business Solutions, Haworth)

April 6: Rex Miller (consultant) and Dean Strobom (Principal, Gensler)

Continuing Education Credits: AIA Learning Units

Our industry is challenged with rapid changes in technology, financing capabilities, and working together to solve problems.

This Forum provides presentations, panels and table discussions to COLLABORATIVELY share information with capital project owners, architects, engineers, contractors and others in the capital projects industry to explore challenges and find solutions.

CONNECT, DISCUSS, CHALLENGE, SOLVE

[View Full Program](#)

Four Key Topics:

- Innovation and Creativity
- Financing Facility Projects
- Integrated Practice and IPD
- BIM for Owners

Topic Presenters Include: Kirby Keahey (WHR), Fred Heldenfels (THECB), John Jordan (Skanska), John Strybos (Alamo Colleges), Howard Ashcraft (Hanson Bridgett, LLP), Chris Tisdell (SpawGlass) + respected industry panelists
